## Coming Up...

## Movie Night

## Pass The Popcorn!

We want residents to have a truly cinematic experience, where they can immerse themselves entirely in the film they're watching owing to the comfortable chairs, surround sound and a bright crisp image. Combined with traditional snacks, our Cinema Room has been purpose-built and fitted out with everything a resident needs to fully enjoy their trip to the in-house movie theatre.

Recently, it was Saturday Night at the Movies! What's not to like about Calamity Jane, hot chocolate and popcorn. A true cinematic experience!

## Gardening Success

## Teamwork!

We are fortunate here at Etive House Care Home to have our own landscaped garden, which allows residents to enjoy a quiet outside space to stretch their legs, receive some vitamin D and enjoy the natural surrounding beauty.

We encourage residents to engage in the pleasurable and peaceful activity of gardening; our abundance of flowers and plants means that anyone with a green thumb can get their hands dirty and plant their own flowers, either independently or with the assistance of a staff member.

Our residents have been hard at work! All the planting, tending and watering has begun to produce results. We are anticipating a beautiful display when they all flower. Well done everyone!

## Friendship Group

## Warm Welcome

Etive House is hosting a special monthly Friendship Group event for those over 60 in our community - a delicious soup and sandwich lunch! You won't even have to pay a penny for it.

The event will be on the first Wednesday of every month, so mark your calendars. To ensure your spot, be sure to call and book ahead and we'll be looking forward to seeing you there!
